

Published December 2018

There is a map for each River Basin District (that shows the parts in England).

These show:

- the river basin district boundary
- the coastline
- watercourses
- main roads and railways
- the way land is used, and
- topography (how the height of the land varies)

You can turn different data sets on and off because the maps are interactive.

- ☐  River Basin District
- ☐  Sub River Basins
- ☐  Coastline
- ☐  Watercourses
- ☐  Main Roads
- ☐  Railway
- ☐  Coastal water body
- ☐  Agriculture
- ☐  Urban
- ☐  Other
- ☐ **Topography**  
**mAOD**  
  
High : 1055  
Low : -18
