There is a map for each River Basin District (that shows the parts in England).

These show:

- the river basin district boundary
- the coastline
- watercourses
- main roads and railways
- the way land is used, and
- topography (how the height of the land varies)

You can turn different data sets on and off because the maps are interactive.

- Welsh Border
- River Basin District
- Sub River Basins
- Coastline
- Watercourses
- Main Roads
- Railway
- Coastal water body
- Agriculture
