

Published December 2018

There is a map for each River Basin District (that shows the parts in England).

These show:

- the river basin district boundary
- the coastline
- watercourses
- main roads and railways
- the way land is used, and
- topography (how the height of the land varies)

You can turn different data sets on and off because the maps are interactive.

-  River Basin District
-  Sub River Basins
-  Coastline
-  Watercourses
-  Main Roads
-  Railway
-  Agriculture
-  Urban
-  Other
-  Coastal water body
-  **Topography**
